III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The **Long version** of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

1.1 ATHLETES, OWNERS AND SUPPORT PERSONNEL

It is your responsibility as an Athlete/Owner/ Support Personnel to ensure that you have adequate personal accident insurance in place to cover your participation at FEI Events and in particular to insure against any personal injury or medical expenses arising from an accident, injury or illness which may occur at a FEI Event.

You should check with your National Federation to confirm if your National Federation's insurance policy (if any) covers personal accidents and/or illnesses which may occur when you are attending/participating in FEI Events.

If your National Federation does not have a personal accident/health insurance policy or if the National Federation's insurance policy does not cover personal accident or health claims, then you should obtain your own personal accident and health insurance policy to cover your attendance/participation at FEI Events.

1.1.2 Personal property insurance

You should also ensure that you are insured against property loss, theft or damage, which may occur at an FEI Event.

Again, the advice is to check with your National Federation to confirm if they have an insurance policy in place, which would cover you in case of such property loss, theft or damage. If not, then you should obtain your own personal property insurance to cover such situations.

1.1.3 Press equipment

Press equipment and other items left in the Press workroom, Press lockers, the Press Tribune or anywhere on the showgrounds are left entirely at the owner's risk. The Organising Committee does not accept any responsibility for any loss or damage to such equipment or items. 1.2 ATHLETES AND OWNERS

1.2.1 Third party liability insurance

As an Athlete/Owner you are personally responsible for damages to third parties caused by you, your employees, Support Personnel, your agents or your Horses. You are, therefore, strongly advised to take out third-party liability insurance providing full coverage in relation to FEI Events at home and abroad, and to keep the policy up to date.

The FEI and the Organiser will NOT be responsible for any damage caused to third parties by you, your employees, Support Personnel, your agents or your Horses.

1.2.2 Additional liability information

The organizer, the Organizing Committee and all persons working for the Organizing Committee shall not be liable for any material of physical damage, accident or illness which may occur to owners, renters, competitors, horses and grooms, under any circumstances, within or out of the competition ground before, during or after the competitions. The Organizer, the Organizing Committee and all persons working for the Organizer shall not be liable for damage to driving vehicles, saddlers, stable attachment and other property (including theft and loss). The competitor indemnifies the Organizer, the Organizing Committee and all persons working for the Organizer from liability with regards to claims made by third parties, including the owners and renters of the horses, for compensation by the Organizer, the Organizing Committee and all persons working for the Organizing for all material or physical damage, or whatever nature, suffered by these third parties.

1.2.3 Horse insurance

As an Owner you should ensure that your Horses are adequately insured against any injuries or illnesses they may sustain while participating at a FEI Event.

2. PROTESTS / APPEALS

To be valid, all Protests and Appeals must be made in writing and accompanied by a deposit of CHF 150.- or equivalent, as mentioned in the FEI General Regulations (Art. 161-162) available at the following link:

<https://inside.fei.org/content/general-regs-statutes>

3. SCHOOLING DURING COMPETITIONS

Athletes wishing to school during speed competitions (Table A and Table C) must inform the OC before these competitions begin. These athletes will start first in these competitions.

4. STEWARDING

- If an athlete is uncertain as to whether the boots they intends to use during an event are allowed, they or their representative should show the boots to the Chief Steward for their opinion before the boots are used in training or in competition.
- In addition, athletes are to be made aware that hind boots must be removed and placed again on the horse's legs in the presence of a Steward while in the warm-up arena prior to entering the competition arena for certain competitions. (If bandages are used in place of boots, athletes are not required to remove the bandages in the warm-up arena.) This procedure is compulsory for competitions for which boot and bandage control is mandatory, that is the Nations Cup, Grand Prix, and the competition with the highest prize money, and is at the discretion of the Chief Steward for other competitions.
- As an alternative to carrying out this procedure at the time designated by the Steward an athlete may ask their groom to take the boots to the in-gate and place them on the horse's legs in front of the Steward prior to the combination entering the arena.
- The Steward has the authority to intervene if a boot is deemed excessively tight by instructing that the boot be removed and put on again correctly. [Stewards are to note that it is normal for a horse's gait to be somewhat affected immediately after boots have been removed and re-placed.] If an athlete or his/her groom refuses to remove and re- place the boot(s) when instructed to do so by the Steward, a Yellow Warning Card will be issued to the athlete in question.
- If it is deemed impossible or unsafe to remove the hind boots in the warm-up arena prior to the combination entering the competition arena, due to an extremely excited or nervous horse, the boots of the horse in question are to be removed by the athlete/groom following the athlete's round upon leaving the arena and inspected by the Steward. This inspection may be carried out during the boot and bandage control if the boot and bandage control is carried out for the competition in question.
- This procedure does not replace boot and bandage control after completion of an athlete's round for competitions for which boot and bandage control is mandatory (refer to JRs Art. 266).

5. DISPUTES

In the event of any discussion concerning the interpretation of the schedule (in translated languages), the English version will be decisive.

6. MODIFICATION TO SCHEDULE

In exceptional circumstances, together with the approval of Chefs d'Equipe, host NF delegate, if any, and the Ground Jury, the Organiser may change the schedule in order to clarify any matter arising from an omission or due to unforeseen circumstances. Any such changes must be notified to all athletes and officials as soon as possible and they must be reported to the FEI Secretary General by the Technical Delegate, the President of the Ground Jury or the Foreign Judge, as applicable.

7. ADDITIONAL INFORMATION FROM THE ORGANISER

Starts

During the competition three competitors have to be mounted and ready to enter the arena. If a competitor does not react upon calling his start number, his turn will pass and the combination will be eliminated from that particular competition. (Unless certain circumstances prevent him from appearing at that time, e.g. losing a shoe, before his turn to start).

Horse protection

From the time the competitors enter the showground they are obliged to adhere to the Regulations of the Dutch law for animal protection. In case of infringements the respective Athlete at discretion of the Ground Jury will be suspended from the event and may lose any right or privilege he/she is entitled to.

Smoking

It is strictly forbidden to smoke in the stables. Infringement can be sanctioned by the Ground Jury by definite banning out of the stable area.

Dogs

Dogs should always be on a leash. Offences against this rule, first will -in case of a repeated offence- lead to permanent exclusion from the showground.

Special rules

The Organizing Committee has the right to use photos and videotapes from athletes and horses, made during Jumpin Schröder Twente, for promotional purposes. In accordance with Art. 135.1 of the FEI General Regulations.

Hospitality

The Organizing Committee offers the possibility to buy VIP-tickets/VIP-tables for the entire duration of the event. Information can be obtained via Gerco Schröder or Tom Brinkman, email info@maartjelanooy.nl. Reservations have to be send preferably together with the entries.

Final conditions

Simply by enrolling a horse into Jumping Schröder Twente the Person Responsible fully accepts the conditions of the schedule and of the programme itself, applicable for the competitors, grooms and the horses. In case of a dispute with regard to the interpretation of this official schedule, the English text takes precedence.

In case of a tie for the 13th place in a competition with 13 to 48 starters, the prize money foreseen for the 13th place will be divided equally among the athletes concerned.

For Competitions run in two rounds with more than 13 starters in 2nd round:

OCs that indicate in the schedule that a specific number (that is more than 13) of athletes will return for the second round will be permitted to distribute the prize money for that competition among all the athletes taking part in the second round, even if the second round is followed by a jump-off in case of a tie on penalties for first place after the second round.

DEDUCTIONS FROM PRIZE MONEY AT COMPETITIONS

Full details of any deductions from prize money must be outlined in the schedule. This includes government taxes. If it is necessary for Organisers to deduct such taxes, they must provide participants with an official form indicating the amount of tax deducted.

The tax form must be provided to the athletes upon arrival and returned to the Organiser prior to departing.

IMPORTANT

The total amount of prize money shown for each Competition in the schedule must be distributed. (FEI General Regulations articles 127 and 128)

For details of the prize money breakdown for each competition please refer to the tables at the end of this document; the Organiser must specify which of the two (2) tables will be used. The total prize money for the Competition must be distributed among the first thirteen (13) placed athletes.

The Organiser must provide additional created prizes for athletes placed beyond thirteen (13th) place. The minimum amount for each of these additional prizes, for athletes placed from fourteenth (14th) to last place, must be clearly specified in the approved schedule and not exceed the prize money of the athlete placed thirteen (13th)

9. MAXIMUM NUMBER OF STARTERS PER COMPETITION

*Annex II FEI Jumping Rules:

Maximum 100 starters per Competition other than the GP. If more than 100 starters are declared, the OC must split the competition into the number of groups required to ensure that there are no more than 100 starters in any group, and provide the same amount of prize money as indicated

The additional prize money provided by the OC is not taken into consideration with regard to the overall prize money that determines the star level of the Event or the Longines Ranking point group of the Competition, if applicable.

OCs may apply either of the following methods for splitting the Competition:

- The competition is split into the number of groups required before it starts. There may be athletes with multiple horses in each group but all horses of any one athlete must be in the same group. If it is not possible to have groups of equal size there may be a different number of starters in each group;
- The competition is run as one single competition and split afterward into the number of groups required to ensure that there are no more than 100 starters in any group, and the classification established as follows: the athlete with the best score is the winner of the first group, the athlete with the second best score is the winner of the second group and so on until prizes have been allocated to 25% of the total number of starters. NB: In this case separate results must be sent to the FEI for each of the groups, e.g. results for Competition 1a and for Competition 1b (and for Competition 1c if the original Competition was split into three groups, etc).

In both cases above each group must offer the same amount of prize money as indicated for the original Competition. For the avoidance of doubt, it is the number of declared starters in the Competition, not the final number of starters that determines whether the Competition must be split.

As all FEI World Cup™ Competitions have the status of a Grand Prix, the minimum prize money requirements for the Grand Prix are applicable to the World Cup™ Competition.

For CSI-W Events with a Grand Prix Competition in addition to the FEI World Cup™ Competition, the minimum prize money requirements indicated for the Grand Prix apply only to the FEI World Cup™ Competition; the Grand Prix Competition at such Events cannot offer more prize money than the prize money offered for the FEI World Cup™ Competition.
